

1. Who We Are

The Little Atelier provides after-school and weekend clubs, holiday camps, and art parties for children aged 5 to 11. Our mission is to make your child's time with us a positive and enriching experience by offering an engaging, creative, and enjoyable curriculum that nurtures children's creativity and fosters a love for art.

Our club is designed with a clear goal: to nurture children's natural desire for self-expression and recognition. At this developmental stage, children have a strong need to express themselves and feel valued. We believe that art is one of the most accessible and meaningful ways to fulfil these needs. Through this club, we aim to provide not only a space for children to learn about art and artists but also an opportunity to share their creativity and be celebrated for their efforts.

While the final artwork is important, we place equal value on the creative process. Our focus is on ensuring that children enjoy the experience of creating, experimenting, and building their confidence during each session. This approach encourages them to embrace their unique ideas and take pride in their achievements.

At The Little Atelier, we hold ourselves to high standards to provide exceptional care and learning experiences for our pupils. We value your partnership in this journey of growth and creativity.

Our services include After-School Clubs, Weekend Clubs, and Holiday Camps.

If you have any questions about our terms and conditions, please don't hesitate to email us at thelittleatelier.london@gmail.com

Our team will maintain open communication with parents and collaborate with them to create an action plan involving the child, parents, and school to resolve the issues and avoid further disruption.

We value transparency and teamwork when addressing behaviour and safety concerns. Our priority is to maintain a positive and secure environment for all children, and we work closely with parents to achieve this.

The Little Atelier is dedicated to providing a fair, safe, and supportive environment for all children. While we warmly welcome children with additional needs, we carefully evaluate each application to ensure that we have the resources, staff availability, and capacity to meet their needs effectively. This approach allows us to create a positive experience for both the child and their peers.

9.2 Class Capacity and Resource Allocation

To maintain a high standard of care and attention, we typically limit enrolment to one SEN child per class. This ensures we can provide the necessary support for each child in a safe and nurturing environment.

9.3 Clear Communication with Parents

We kindly ask parents to share any additional needs their child may have, including medical, behavioural, developmental, or learning-related requirements, during the registration process. This helps us assess how we can best support the child and plan accordingly.

9.4 Understanding Our Limitations

As a small business, The Little Atelier operates with limited resources and capacity. While we strive to support all children, there may be instances where we are unable to accommodate specific needs. In such cases, we kindly ask for your understanding and assure you that our decisions are made with the child's best interest in mind. Unfortunately, we are unable to provide additional resources or external support for specialized requirements.

9.5 Regular Policy Review and Feedback

This policy is reviewed regularly to adapt to evolving needs and to maintain inclusivity. We welcome feedback from parents and continually seek ways to improve how we support a diverse range of students.

9.6 Purpose of the Policy

This policy is designed not to exclude but to ensure that all children, including those with SEN, receive the appropriate support they need. By managing our resources effectively, we aim to provide a high-quality experience for every child in our care.
